

GEAR + MOTOR

Worm Reducers

- Premium cast iron and aluminum worm reducers
- High temperature seals and synthetic lube-std.
- Hydro-Mec **metric** boxes available from stock
- Drop-in replacements for most brands
- WASHGUARD® to 5 in p/tp

General Purpose Motors

	1PHASE	3PHASE
Rigid Base	1/6 thru 10 HP	1/4 thru 350 HP
C Face	1/4 thru 10 HP	1/4 thru 350 HP
Resilient Base	1/4 thru 2 HP	1/3 thru 3 HP
Premium Efficiency WATTS AVER	1/4 thru 2 HP	1/2 thru 350 HP
Explosion-proof	1/3 thru 3 HP	1/3 thru 250 HP
Food Processing-Washdown	1/3 thru 10 HP	1/3 thru 350 HP

Inline Reducers

- Aluminum housing designed for rugged service and long life
- A wide array of mounting for maximum flexibility and direct replacement
- 1/4 to 7-1/2 in p/tp
- Cast iron available thru 50 hp

Metric/IEC Motors

- AC and DC available from stock
- .018 kW thru 37 kW (AC)
- .06 thru 2.2 kW (DC)
- B3, B5 & B14 mounting
- High-efficiency design meets or exceeds NRC and EPACT levels

Sub-fractional HP Gearmotors

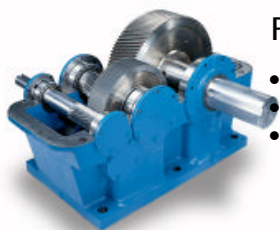

- AC Parallel Shaft 12 thru 1105 lb. in. output torque
- AC Right-Angle 14 thru 113 lb. in. output torque
- DC Parallel Shaft 10 thru 1112 lb. in. output torque
- DC Right-Angle 5 thru 135 lb. in. output torque

Direct Current Motors

- Low Voltage 12, 24, 36 VDC
- SCR PM Rated . . . 90 & 180 VDC
- Sub-FHP 1/25 thru 1/4 HP
- NEMA frame 1/4 thru 3 HP
- IEC frame06 thru 2.2 kW
- SPEEDMASTER® Adjustable Speed Drives available

Foot-Jones

- Parallel Shaft Reducers
- Shaft mount reducers
- Custom gearing

Brake Motors

- Stock and Custom thru 250 HP
- Brake Kit® available for quick field installation
- Full stock of Stearns brake parts

also in stock:
AC/DC Drives
Sheaves
Motor Control
